

Dogwood to Kudzu Convergence® 2022 Basketry Exhibit

Produced by the Handweavers Guild of America, Inc. (HGA), *Dogwood to Kudzu* is a juried exhibit featuring functional or nonfunctional, traditional or nontraditional forms in basketry techniques. Baskets can be woven from a wide variety of manmade and naturally occurring materials.

Inspiration is derived from the stability of the Appalachian region that features ranges and valleys, barriers and passageways, and a large diversity of vibrant flora that intertwines throughout.

Exhibit: July 15-18, 2022, to be held at the Knoxville Convention Center, Knoxville, Tennessee, USA.

Juror: **Judy Zugish**

Judy Zugish began experimenting with garden fibers in 1978. This soon led to an obsession for basketmaking and many years of pursuing technique with notable traditional weavers. Today, her contemporary works using gathered natural materials are exhibited widely. She teaches her signature style both at home and abroad.
